

2022-09-28, v3.0.1

1. #20360 Evolution of TellNext Proxy Server
 - Use a list of proxy servers in TellNext configuration file
 - Some clarifications added about the installation of new versions
 - New installation package for version 3.0.1 and doc

2022-09-28, v3.0.0

1. #14259 Proxy Server installation package and doc
 - Update Word docs and HTML files on ProxyServerDocumentation folder
 - Delete file ReadMe_TellNextProxyServer.htm
 - Create a shortcut to access WebAdmin: TellNextProxyServerAdministration
 - Add this shortcut to AIP installation package → Add shortcut in Files and

Folders page

- Check default config params in TellNextProxyServer.cfg
