```

## Tested successfully on:

Manufacturer	Device	Android Version	Date	Tnx version	Notes
Unitech	WD100	7.1.1	07/01/19	Emulator 1.0.8.500 BT Pairing 7.0.3.543	

## Notes:

The only supported device for the moment is the WD100.

## Configuration:

1. No previous configuration necessary
2. See in How-To's section: "[Pairing WD100 and MS652](#)"
